

To the Honourable Legislative Assembly of Saskatchewan.

We, the undersigned residents of the Province of Saskatchewan, wish to bring to your attention the following:

That full-time minimum-wage workers in Saskatchewan are living in poverty;

That people working full-time should not live in poverty;

That \$15 an hour would bring workers' wages above the poverty line;

That a \$15 wage will benefit local businesses and support our local economies by putting money in workers' pockets to spend in their community.

We, in the prayer that reads as follows, respectfully request the Legislative Assembly of Saskatchewan to:

Raise the minimum wage to \$15 an hour for all workers.
